

Subject: Issuance of a Long Term Contract for repair of various items on the V-22 aircraft.

Naval Supply Systems Command Weapon Systems Support (NAVSUP WSS) Philadelphia intends to solicit Eaton Aerospace (62983), Jackson, MS for the repair of various items on the V-22 aircraft. NAVSUP WSS plans to issue a Request for Proposal (RFP) in June 2016. The RFP is anticipated to remain open for 30 days. The intention of this solicitation is to award a three year Repair Requirements Long Term Contract. The Nomenclatures, NSNs, Part Numbers, and estimated yearly repair quantities can be found on the Attachment 'A'.

The government intends to contract on a sole source basis with Eaton Aerospace is the Original Equipment Manufacturer (OEM) and the only known source for providing repair support of the items on the Attachment 'A'. This procurement is being processed in accordance with Part 15 of the Federal Acquisition Regulation (FAR). The applicable NAICS code is 336413. This requirement will be procured in accordance with FAR 6.302-1, only one responsible source and no other supplies or services will satisfy agency requirements.

Government Source Approval is required. Only the previously approved source will be solicited for this requirement. Any other interested sources will be required to submit a Source Approval Request (SAR) package. A SAR brochure is available upon request. There are neither drawings nor technical data available for these items.

Responses to this notice of intent shall be submitted no later than fifteen (15) days from the date of this synopsis to NAVSUP WSS Philadelphia, Attn: Jason Straub, Contract Specialist, (code N731.10), 700 Robbins Ave, Bldg. 1, Philadelphia, PA 19111.
